

## PARENT LIFE™

...reaches expectant and parenting teens and their children through intentional mentoring relationships with trained adults and community partnerships.

*"As principal of Adelante, I have had the pleasure of witnessing Parent Life's impact on our small campus and with our teen moms."*

*"Our parents and our school are enriched by this organization's partnership."*  
 - Amy Lloyd, Principal, Adelante High School

## CAMPUS LIFE®

...is a relational program that meets weekly with hundreds of high school and middle school students on campuses across the region. Staff lead discussions and sponsor activities that communicate character, confidence, responsibility and faith to

these young men and women. *"I want to thank...the Campus Life staff for all the work they have done and continue to do to support our students."* - Rob Hasty, Assistant Principal, RJUSD

## CITY LIFE™

...focuses on reaching at-risk kids through various programs, including the Sayonara Community Center. The Center offers help with homework and mentoring during their after-school programs, as well as the opportunity to participate in field trips and other events. The goal of City Life is to build relationships and communicate how young people can make good choices and establish a solid foundation for life.

*"We strongly welcome this effort by Campus Life Connection. A comprehensive approach is the only approach that really works to turn a neighborhood around."* - James Lynch, Chief, Neighborhood Enhancement Division, City of Citrus Heights

## CROSSOVER BASKETBALL

...impacts the lives of at-risk youth through spring leagues, after-school programs, and traveling AAU teams. Coaches and staff are trained to build mentoring relationships with players and participants that create a platform to share life skills.

*"I have noticed an amazing difference in the attitude of this young man in my classroom since he started playing in the Crossover League and I had to come see what Crossover was all about."* - EGUSD Teacher

## POINT BREAK

...is a day-long workshop designed to promote resilience among students by equipping them to become agents of change. Point Break allows young people to open up and talk about issues that can otherwise lead to an atmosphere of anger and hopelessness on middle and high school campuses. It allows young people to see that we all have something in common, while providing a foundation for the acceptance of others and positive communication.

*"Point Break was one of the best programs I have ever seen. I saw students and adults breaking down images and walls that they had built up for many years. Thank you for all you do."*

- Tony Asaro, Senior Director of Community Relations, Sacramento River Cats

## COLLINGS TEEN CENTER

...in West Sacramento provides a fun and safe environment for middle and high school students each day after school. "Embrace Engage Empower" is our goal for each student who walks through the door. Students can hang out, participate in

tournaments, eat a late lunch and be cared for by our outstanding staff.

*"The Teen Center has afforded my son a positive and healthy environment to be among his peers. I am delighted with his social adjustment and acceptance. His feelings of self-worth have increased a hundred-fold and it is directly related to his involvement in the Teen Center."*

- High School Parent
