

YOUTH FOR CHRIST[®]

SACRAMENTO

Best kept secret

1,000 different young people involved in programs each week: workshops, after school tutoring, mentoring and community service.

Crossover inner-city basketball league partnering with businesses, churches and law enforcement in South Sacramento, Oak Park and North Sacramento.

Point Break anti-bullying workshops in 25 schools each year engaging 3,000 students to help create safe schools and better learning environments.

One-on-one tutoring for young people in gang neighborhoods who are struggling with school and need help to break out of negative conditions.

Teen Center - a place to go after school in a community that is food-challenged to receive a meal and be encouraged.

I am involved with Youth for Christ because I believe in their approach to issues young people face today. They believe you need to build trust, listen, care for individuals and share the Good News of the Gospel, that God loves us right now in the midst of our circumstances and provides us with Hope.

I am raising funds to support YFC through their annual Golf Challenge to be held on September 9th. The funds stay local and they help young people in the community.

Would you help me? You can go to www.yfcgolfchallenge.com and on the Donate page find my name and make a donation online using your credit/debit card or bank account. You can also send a check back to me made out to YFC and I will make sure it is receipted.

Thank you so much for your consideration; It is a worthy cause and a worthy organization. If you would like to know more about YFC you can visit their webpage at www.yfcsacramento.org.

Kindest Regards,
